Let's start
a ripple effect
of love and
encouragement
together!

Hello! My name is Ruthie and my daughter is Olivia (we call her Olive).

We are proud to bring you this line of delicate jewelry and inspirational cards. This line is an extension of me ... a dedication to my daughter and to my younger self. I wish I could go back in time to hug her and tell her everything is going to be ok...and through these meaningful pieces, I'm aiming to do just that for someone else. My hope is that by creating and sharing this jewelry line, it will cause a ripple effect of love and

encouragement in the world. Maybe you find a quote that speaks to you. Maybe you see something your friend needs to hear. Maybe you give your friend a gift and they feel good ... and are nicer to the cashier at the grocery store. And just maybe, it keeps going. Plus, each purchase helps feed a hungry family in need!

Look good, do good, feel good!

Olive and I thank you sincerely for your support.

*The most likely recipient of food support is a single mother with multiple children. Food insecurity is a problem that affects 1 in 5 families in our country. Currently, proceeds go locally (to me here in Portland at the Oregon Food Bank). This way every dollar can have more impact on a local level. No matter where they are, hungry people are hungry people. Please join me in supporting those who are food insecure.
