16 PIECE ROTATING DISPLAY

Free with:

- 32pc purchase of readers/sun priced \$9.50 and up
- 24pc purchase of adult/teen blue light computer glasses priced at \$15.00
- 24pc purchase of combination adult/teen and kids blue light computer glasses (maximum of 12 kids blue light computer glasses priced at \$11.00 to qualify for display)

Display features a case holder on the top along with an optional literature holder that can be added/customized. Larger mirror for better viewing and a slim profile to maximize counter space. This is the perfect starter display for our computer glasses/readers!

Dimensions:

27.5" x 11" x 8"

(case holder adds 2" to height; literature holder adds 5" to height)

POLARIZED SUNGLASSES

Maximum UVA/UVB protection. Polarized lenses reduce glare and make objects appear crisper and clearer. All polarized sunglasses include a drawstring bag.
